I just received this message, and it intrigued me enough to take a look at the URL. I am amazed that such a thing exists! Take a look for yourself. Now if only we can figure out if it is real or not... [] Very strange! -nic ---- Forwarded message ----From: KEMPcool Subject: Scary Technology Alert! Date: Sun, 30 May 2004 13:57:51 -0500 To: nic@*** Hello-My dad suggested that I send this to you. It's quite frightening. http://www.dancedanceresurrection.i12.com/
